

**THE CATHOLIC CENTER AT  
THE UNIVERSITY OF GEORGIA**

**Who lives in Holy Name Province?**

There are 325 Franciscan Friars in Holy Name Province serving the people of God in a wide variety of settings – colleges, parishes, urban ministry centers and diverse social ministries along the East Coast. Today we continue the mission of Saint Francis to make the Gospel message come alive in our contemporary world. We live in cities, suburbs and rural areas. Our backgrounds are diverse and our ministries are varied; most of us serve in pastoral roles, while others work in education, social ministry, administration and manual trades.

**What is the mission of the Franciscan Friars of Holy Name Province?**

The core of Franciscanism is in the living out of the Gospel of Jesus Christ within the Church according to the rule of life proposed and observed by Saint Francis of Assisi to preach this message to every creature. This is our purpose and mission.

**What makes the Franciscan Friars different?**

The Franciscan Friars have always been thought of as “of the people and with the people”. Living in community is a core value and often helps the Friars to put things in a more “down to earth” perspective. The Friars never see themselves as better than anyone, and therefore they are not usually judgmental and are very accepting of everyone, those who are in the faith community and those who are not.
