SIXTH SUNDAY OF EASTER

The Catholic Center

Congratulations once again to all of our young people who received first communion last weekend! It was a joy and an honor to experience that together.

The semester has come to a close and we are very grateful for all of blessings that have been bestowed upon our students this past year. Thank you to all of our community members for your ongoing support of our students. So many of you have been cooking, collaborating, and praying for our college students. It goes a long way and we are very grateful! As a priest I've been blessed with the opportunity to walk with students as they engage their college lives. What has been inspiring is watching the college students grow in their relationship with God and grow as a community. We have had many new faces pop up throughout the year and it has been a joy to meet, greet, and be invited into their lives. It's truly a meaningful role to be a priest here.

This summer Fr Fred and I will be traveling a bit. We have many weddings that we are celebrating and we're also taking some vacation time to rest and rejuvenate. As the two of us approach one year of being here at the Catholic Center, we have a lot to reflect on and a lot to celebrate!

Happy mother's day to all our mothers! Many of us have been blessed to have good mothers who either raised us or influenced us to become who we are today. In the heart of a good mother is care, compassion, selflessness, patience, mercy and a closeness. Throughout the scriptures we are given images of God having a motherly heart. We pray for all mothers in our community and thank them for their impact in our lives!

KNIGHTS OF COLUMBUS CORNER

As we continue to celebrate the Blessed Virgin Mary in the month of May, we would like to share with you a reflection from Pope Francis: "Mary is the mother, and a mother worries above all about the health of her children, she knows how to care for them always with great and tender love. Our Lady guards our health. What does this mean: Our Lady guards our health? I think above all of three things: she helps us grow, to confront life, to be free."

Happy Mothers Day to all the mothers, from the Knights of Columbus.

FINANCIAL GIVING UPDATES

Thank you for continuing to generously share your treasures with the Catholic Center for its operations, ministries, and outreach programs. For any questions, please contact the Center.
