SEVENTH SUNDAY OF EASTER

# The Catholic Center

Dear Catholic Community at UGA:

I've been reading about the Franciscan Friars lately and have become deeply interested in their history. I've also been reading bulletins from over the years and have enjoyed getting to know more about our community. It's always wonderful to read the history of priests, their backgrounds, and what brought them to their vocation. Like all of society, we are a diverse group. I think that's the good thing about priesthood, we each bring something different to the table with our strengths and our weaknesses. Reading past bulletins continues to help me think about how we can build upon our programming in the future. Franciscans are known for their Social Justice ministry and I see many good programs that you've had in the past. Hopefully, with the pandemic requiring less restriction in our lives, come Fall, we can return to a great diversity of programming. Lots to think about and plan!

Both Fr. Brian and I already miss the students. We look forward to their return in August and are glad for those who have stayed around during the summer with school and other programs. I have begun to get around and be able to visit retirement centers and those who were restricted from visitors this past year. It's been great to bring them communion again! Jenni will work on the list of people I can visit to anoint and bring communion.

This summer will be quite different from the last one, I hope!!! I'll be traveling out West in June to be with friends. I also have a number of weddings here and around the country. I look forward to the rest of May and June. Come July 1st, there will be a lot of planning that needs to begin. I pray a good summer for you all. I'm excited to see numerous people returning to church. Many haven't been here since March of 2020. Welcome back!!!

Blessings to you all.

In Christ,

*Fr Fred*

## SECOND COLLECTION

Our second collection this weekend supports the Catholic Communication Campaign. This campaign connects people with Christ and builds Catholic communities using the internet, television, radio, and print media. Fully 50% of the money we collect stays right here in the Archdiocese of Atlanta to support local communications projects. The other 50% supports national communications efforts as well as projects in developing countries. This collection connects people around the world to the Gospel message. Thank you very much for your generous support.

## **KNIGHTS OF COLUMBUS CORNER**

As we continue to celebrate the Blessed Virgin Mary in the month of May, we would like to share with you some thoughts about the Virgin Mary and the Knights of Columbus: One of the defining characteristics of the Knights of Columbus is its members' deep devotion to the Blessed Virgin Mary, the Mother of Jesus. Knights have been ardent apostles of the holy rosary, spearheading numerous rosary distributions and prayer programs to promote this most powerful Marian devotion. The Order as a whole was entrusted to Our Lady of Guadalupe, who shared this comfort words with St. Juan Diego when she appeared to him: "Am I not here, I who am your mother?"
