Announcements

COVID-19 Update:

The Archdiocese of Atlanta has stated, in the most recent Communique, that parishes and centers are to follow county and local policies regarding the wearing of masks. At this time, in Athens/Clark County, masks are required in both public and private indoor spaces. Beginning Saturday, August 21, 2021, masks will be required for the Saturday, 5PM Vigil Mass and Sunday, 8AM and 10:30AM Masses regardless of vaccination status. Please note that for the Sunday, 5PM Student Mass, our policy will be aligned with UGA's mask policy which states that masks will be strongly encouraged. Thank you for walking with us through this challenging time. We will continue to monitor updates.

Sunday Night Dinner Volunteers

We are looking for volunteers who like to cook and prepare food for our students for Sunday Night Dinners. No experience is necessary! The team will work from 3PM until 5:30PM. Please sign-up on our website or call the office at 706-543-2293.

We are also looking for some baked goodies for desserts! Please drop them off during the week in the office.

A Message From Fr. Brian:

Dear Catholic Community at UGA,

Thanks to everyone who came out and played in the annual Dooley Classic! It was a great time with friends, family and community members. We are grateful for the hard work and energy that went into planning and organizing it. Thanks to our golf committee for the endless hours that you all volunteered!

This semester is underway and I have been enjoying the presence of the students around the Catholic Center. Many students are here throughout the day, studying or simply enjoying a break from class. It is very humbling to know these young people and to be invited into their lives.

I've been reflecting on how thankful I am to be a priest here. I've been reflecting on how I really enjoy being a part of the lives of the students.

While I'm always meeting new faces and always re-introducing myself to people, there are many students who I have really grown in relationship with. I've been privileged to journey with so many.

I've met their family members and roommates, listened to their pains and concerns, helped them discern between various good things, and spent time casually talking about the mysteries of life. There's a fondness that develops.

I asked a student recently to reflect on why he remains a part of our community. He thought about it for a moment and then said that when he first arrived, he was struck by how others were genuinely interested in him. They were attentive and listened to what he had to say. The student called it "refreshing," and he recalled how others don't listen nor seem to care about him.

It's safe to say he had encountered Christ in our community. That's what we are trying to offer. We hope to offer a safe space where students can grow in their relationship with God by means of the sacraments and the community. That is why we were very thankful for those who helped with the Dooley Classic. The fundraiser helps us continue this mission.

In Christ,

Fr. Brian
