Dear Catholic Center Community,

The past year we have been working on our Strategic Plan here at the Catholic Center. We updated a mission and vision statement and we have had five areas that we will be focusing on: 1. Campus Development 2. Communications 3. Growing in Service 4. Growing in Faith 5. Growing as a Community. We have asked individuals from our committee to help steer these areas and many of you graciously volunteered. Thank you! I am excited about the future of the Catholic Center and the direction we are headed. The hope is that as a community, we are all growing spiritually, communally, and in service. These three areas are great focus areas to highlight and invest in.

The emphasis for these areas is our non-student community. I believe that we have been investing substantially in our collegians and we are very proud of that. I believe wholeheartedly that we have a responsibility to help form Catholic leaders for the future of our church and to help our collegians encounter God perhaps for the first time. 9/10 of Catholic Collegians do not go to Church at UGA. We only engage 1/10 of baptized Catholic population. Fr. Fred was truly convicted of this and I am convicted of this as well. We are proud of our work and the investment we are giving our students. With this said, we want to make sure that all of us are growing in our faith. We are never too old to learn more about our faith or encounter God anew!

Fr. Michael is moved into the house and is settling in. This month he won't be around much on the weekends due to prior commitments. But feel free to send him an email welcoming him to the community. If you'd like, send Fr. Michael an email at frmichael@ccatuga.org. Introduce yourself, tell him what you do for a living, tell him about your family, and perhaps where you are spiritually at this time in life. Please copy me in this so that I can also hear!

This past month I updated our website. Everything should still be the same in terms of content but the design is a bit different. I wanted to have a simple approach so that you can access our website on mobile, tablet, or computer with ease.

Fr. Brian
