### A Message from Fr. Brian

**Friends,**

July 1st begins our new fiscal year here at the Catholic Center. I'm excited to share some encouraging news about the financial health of our church: Thanks to your steadfast generosity and our commitment finance board of advisors who helps oversee our financials, we've continued to strengthen our financial situation this past year. This achievement is a testament to our efforts and ensures we are well-prepared for future challenges and opportunities.

One of our most notable successes is the amount of donations we've received, which continues to surpass expectations. This increase in donations is a direct result of your incredible generosity and engagement. It clearly reflects your belief in and commitment to our church mission. Your contributions and active participation have made a profound impact, highlighting the strength and unity of our community.

I want to thank our Finance Board who assists in overseeing our financial situation. You all are great and help behind the scenes in this important ministry. Your fiscal prudence allows us to allocate resources to activities that further our mission and save up for emergencies or future projects. Your support in maintaining our financial health has been instrumental.

As we all celebrate this accomplishment of finishing our fiscal year in a great, we remain committed to continuous engagement.

Looking ahead, we aim to continue building on our financial strength and keeping God at the center of it all.

It's an honor to be a steward of our church resources and it is humbling. It's very beautiful to see your commitment and consideration, and generosity. Thank you all for your generosity and continued support. You have all truly made a positive impact on our church.

With heartfelt gratitude,

Father Brian
